

QuizBangla - FAQ (APP_139882)

1. What is QuizBangla?

QuizBangla is a trivia challenge app where you solve mysteries about Bangladesh using up to 3 clues. The fewer clues you reveal, the more points you score.

2. Who can subscribe?

Currently, the service is exclusively available for Robi and Circle subscribers in Bangladesh. Enter a valid Robi (018) or Circle (016) number to subscribe.

3. What is the subscription charge?

The daily subscription fee is BDT 2.78 per day. This charge is inclusive of all taxes (VAT, SD, and SC).

4. How do I subscribe?

Open the app, enter your Robi or Circle mobile number, and tap "Subscribe with OTP". Enter the OTP received via SMS. Once charging is successful, you will be REGISTERED and can access the clue challenge.

5. Does the subscription renew automatically?

Yes. The subscription has an automatic daily renewal feature. You will be charged daily until you choose to unsubscribe.

6. How do I unsubscribe?

To stop the service, open the QuizBangla app, go to Settings, and tap "Unsubscribe". Your premium access will stop once the unsubscribe request is successful.

7. Who handles the charging?

Subscription and charging are handled securely by bdapps.

8. How do I get support?
