

QuizBangla - User Guideline (APP_139882)

Welcome to QuizBangla! Follow these steps to install, subscribe, and play.

1. Installation

1. Download the latest APK file (QuizBangla-v1.0.0.apk) from the official link.
2. Open the file on your Android device. If prompted, allow installation from unknown sources in your settings.
3. Tap "Install" and wait for the process to complete.
4. Open "QuizBangla" from your app launcher.

2. Subscription & Access

1. Upon opening the app, you will see the subscription screen.
2. Enter your Robi (018) or Circle (016) mobile number.
3. Tap "Subscribe with OTP" and wait for the SMS.
4. Enter the OTP. The system will process your initial charging (BDT 2.78/day incl. VAT/SD/SC).
5. Once successful, your status will become REGISTERED and you can access the Home screen.

3. Playing the Game

1. From the Home screen, select a category (e.g., Bangladesh Places, Food & Culture) or "Mystery Mix".
2. Read Clue 1. If you know the answer, select one of the four options to earn 100 points!
3. If unsure, tap "Reveal next clue". Earning points will drop to 75. A third clue drops it to 50 points.
4. Answer all 10 mysteries to complete the challenge.
5. View your total score and tap "Play Again" for a new round.

4. Managing Subscription

1. Go to the Settings screen by tapping the gear icon on the Home screen.
2. Here you can view your currently active mobile number and check your subscription status.

3. If you wish to stop the service, tap "Unsubscribe" and confirm.
